Providing The Gift of Hearing

Because no person should be prevented from full participation in life due to hearing loss.

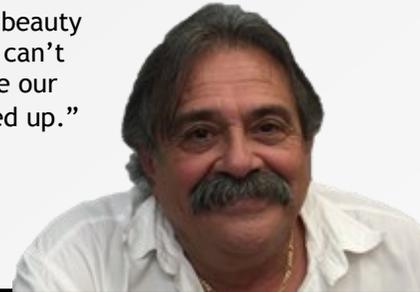

“It’s so tough when you can’t hear. It makes life so much better and everything better when I wear my hearing aids.”

-Russell A.

“I can finally hear my granddaughter! I can enjoy the beauty of sounds around me like the rustling of leaves that I can’t remember hearing. Our world had diminished before our hearing aids and now that world has completely opened up.”

- Evangelo & Constance

“Coming here is like seeing my family.”

About the Clinic

Circle of Giving

How can you help?

Hearing The Call is a local non-profit hearing center providing hearing healthcare for low income, uninsured and under-insured families and individuals in Sarasota and Manatee County. We offer audiology services and hearing devices at reduced rates and on a sliding fee scale.

Appointments are required for our clinic.

Please call: (941) 316-0406 for more information!

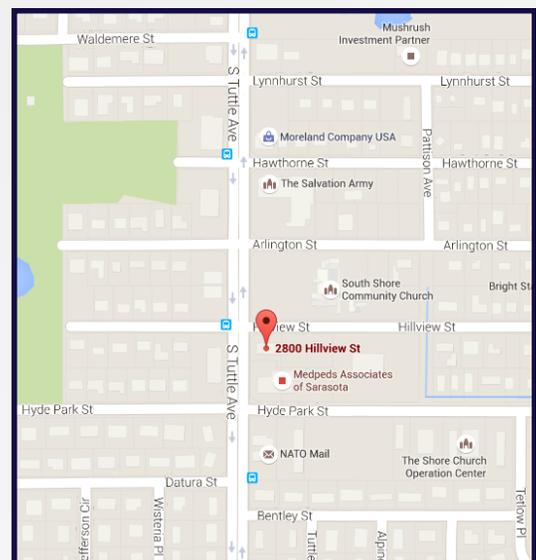

We value personal responsibility and community involvement. We are not a free clinic, but ask that clients invest in their own healthcare by paying fees on a reduced fee/sliding scale based on family size and income. We also require clients to give back to the community by volunteering a set number of hours in the community for every hearing aid purchased through Hearing The Call's "Circle of Giving Program".

Countless patients have volunteered to give back to the community that has helped them receive the **Gift of Hearing!**

Together we have the potential to create a brighter future for children and a sense of independence for adults.

You can support Hearing The Call in any of the following ways:

- Financial Contributions**
- Hearing Aid Donations**
- Volunteer Opportunities**
- Fundraising Events**
- Contributing to Mission Trips**

Patients make a difference by volunteering in the Community
